

Member Awards and Appointments

Published H1 2020

Kreston International is a global network of innovative, like-minded accounting firms that puts trusted relationships and exceptional care at the heart of everything it does. Kreston members across over 110 countries offer quality compliance and advisory services, and build lasting partnerships based on trust, integrity and collaboration. So, wherever in the world your ambition takes you, our combination of expertise and empathy will help your business to meet the demands of the future.

The *Member Awards and Appointments* document that you have in front of you has been created to illustrate the high quality of Kreston member firms and reflects some of our members' most significant achievements throughout the period of 2018-2020.

Australia – **McLean Delmo Bentleys**
‘Commercial Broker Group of the Year’

Australian Finance Group, 2017–19

The award recognises the team’s efforts in achieving the highest commercial loans volumes on a national basis. The firm has won the award for three consecutive years.

More info [here](#)

‘Professional Services Awards’ Finalist

National Australia Bank, December 2018

This award reflects the firm’s quality ranking by clients via an online survey. The criteria included expertise, value, communication, reliability and understanding of client needs.

Colombia – **Kreston RM**

First audit firm in Colombia certified under ISO 9001:2015 standard

International Organization for Standardization, 2003–22

In 2003, Kreston RM became the first audit firm in Colombia to be certified under ISO 9001 standard for the full scope of its services – a certification it still holds and which has been renewed until 2022, based on a full review and analysis of the firm’s processes, activities, quality management system and knowledge by Colombian Institute of Technical Standards and Certification. The Institute has also issued an IQnet recognised certificate to the firm which Kreston RM has implemented as part of its quality management system.
